There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Rebekah Club.

At the regular session of the Rebekah club, Mrs. R. Studebaker was hostess at her pretty home on Eighth street.

A novel guessing game, in which all the leading business houses of Las Vegas were represented, proved most interesting and at the same time gave several firms some free advertising. The score resulted in a tie between Mrs. Dailey and Miss McAllister and after drawing straws, Miss McAllister was awarded the prize, a pretty bunch of carnations, which she at once shared with Mrs. Dailey. Mrs. Swearingn received the booty.

Refreshments of ice cream, cake and coffee were enjoyed by all and each guest was presented with sweet peas.

Mrs. Studebaker was assisted in entertaining by Mesdames Geyer, Kingsley and Oakes.
